Hello, my name is Steve Sparks and I am a candidate for The House of Representatives for the Second District of Hawaii. I am a liberal and proud of it. I would follow in Patsy Mink's footsteps and represent Hawaii with a strong liberal view. I am against the war in Iraq and the war on drugs. I am for bringing federal funds to Hawaii to help with our solid waste problems and more funding for development of new alternative industries to bring jobs to Hawaii. One of my top priorities is to preserve individual and civil rights for all. I have never been elected to public office and have served on many boards and committees. I am a recovering drug addict, clean and sober for more than twelve years. I have owned restaurants and construction companies both in Hawaii and on the mainland. I have hired and fired employees and have been fired myself. I like to work hard and I like to get my way and I would like to do these for the people of Hawaii.
